

HEALTH HACK 2026 Improving Health Access for All

16th - 18th February 2026

Greetings from VIT Bhopal University,
a proud legacy of VIT Vellore !
We are pleased to inform you that
VIT Bhopal University, India, and
Johns Hopkins University (JHU),
Baltimore, USA, are jointly
organizing a Health Hackathon
titled **"Improving Health
Access for All"** on 16th - 18th
February 2026. The event will have
global participation and a
collaborative initiative between an
Indian University and JHU.

Organized by VIT Bhopal University & Johns Hopkins University, USA

EVENT OVERVIEW

Health-Hack is designed to bring together professionals, students, and enthusiasts in the fields of healthcare technology. Hackathons provide several opportunities for personal and professional advancement. Over the course of two days, participants will collaborate, brainstorm, and hack together new ideas, tools, and methods to promote accessible health care solutions and tackle various health challenges through innovation.

WHY SPONSOR US?

Health – hack 2026, A Collaborative initiative of VIT Bhopal University and John Hopkins University, is more than just a Hackathon, it's a platform for innovation, creativity, and collaboration. Here's why your sponsorship can make a measurable impact:

MASSIVE AUDIENCE REACH

With an offline reach of 16,000 attendees and more than 2500 participants, we ensure unparalleled visibility among a diverse demographic of students, professionals, and enthusiasts.

TARGETED DEMOGRAPHICS

Engage with a vibrant audience primarily aged 18-25, including young innovators, students, and professionals—a prime group for fostering brand loyalty and awareness.

HIGH-IMPACT BRAND PLACEMENT

As a sponsor, your logo and branding will feature prominently in event materials, social media campaigns, and high-traffic zones at the venue. Leverage Health Hackathon's strong offline and online presence to maximize your brand's visibility.

NETWORKING OPPORTUNITIES

Collaborate with industry experts, connect with more than 16,000 participants, and interact with influencers and decision-makers. Sponsorship opens doors to meaningful partnerships and business growth.

Tailored sponsorship options ensure alignment with your marketing and branding goals, allowing you to achieve maximum ROI.

By sponsoring Health Hackathon, you align with a socially responsible initiative that champions education, innovation, and community engagement-demonstrating your commitment to Shaping a brighter future

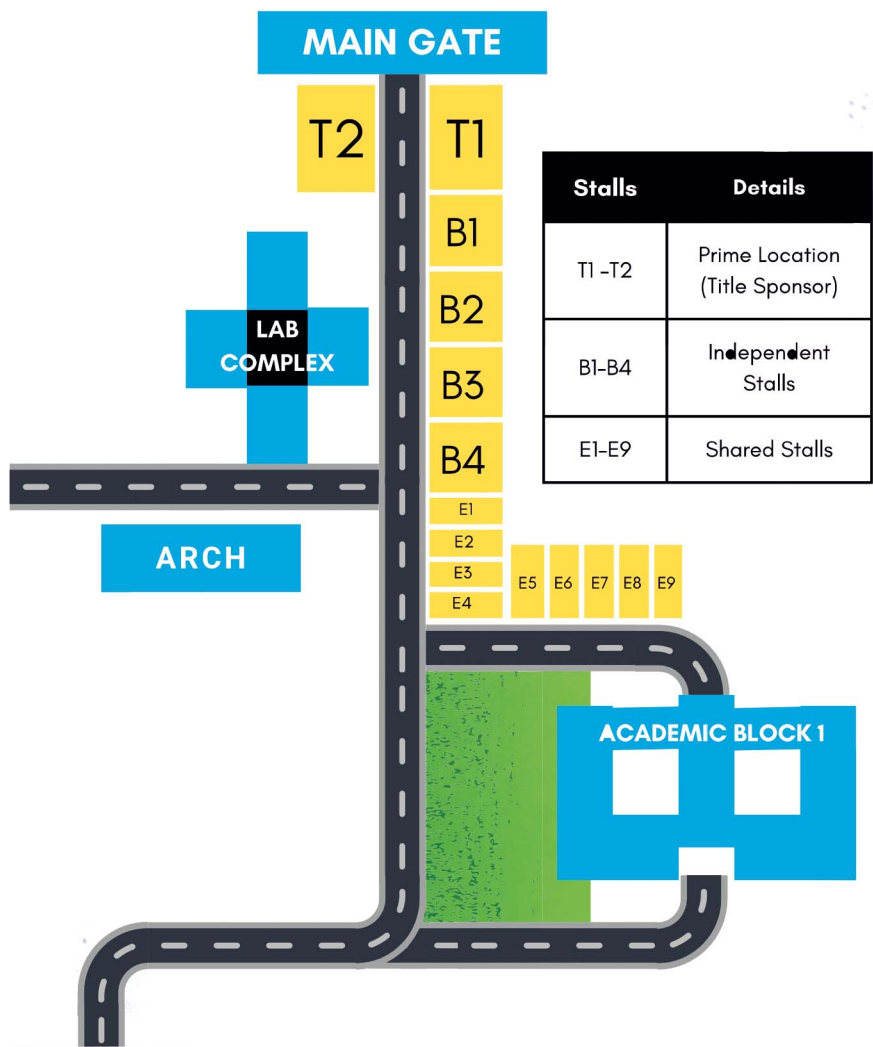

Sponsors gain exclusive access to selected events and workshops, offering a unique chance to connect with attendees.

SPONSORSHIP BENEFITS

Partnering with VIT and JHU means investing in creativity, innovation, and the aspirations of tomorrow's leaders. Let's build a lasting legacy together while enhancing your brand's reach and impact.
